

CATALINA ISLAND *Weddings*

SANTA CATALINA  ISLAND COMPANY

***Romance is in bloom on Catalina Island,**
a breathtaking island setting where beautiful memories are made. The Santa Catalina Island Company assures you that every detail of your special day will be perfect and memorable.*

CEREMONY AND RECEPTION LOCATIONS

In Avalon, we offer iconic wedding venues including the Catalina Casino, Catalina Island Country Club, Descanso Beach Club, and our newest waterfront venue, Catherine's Terrace at Descanso Beach Club.

Catalina Casino: *Grand, glamorous & one of a kind*

The historic Casino epitomizes all the glamour and romance of Catalina Island. The Casino retains its signature lavish style: stunning rose-hued walls, a 50-foot ceiling with five exquisite art deco chandeliers, an elevated stage, raised seating areas surrounding the wooden dance floor, and a vintage full-service bar. A sweeping veranda surrounds the ballroom with 360-degree view of Avalon. The Catalina Casino can accommodate up to 1,200 people.

Catalina Island Country Club: *A romantic & private oasis*

Poised on a hill overlooking picturesque Avalon and the bay beyond, the landmark Catalina Country Club is a striking example of Early California Revival architecture with distressed cream-colored walls, balconies, arched

floor to ceiling French windows and doors, and a lovely hand-tiled Mediterranean rooftop.

The Club's expansive layout is divided into several unique areas. A brick terrace, set just off the main entrance, is ideal for small, intimate affairs. Exchange vows with the ocean as your backdrop, and enjoy a reception in the same location or in the adjacent banquet room. Continue up the stairs through the entryway into the Fountain Terrace, a classic setting for both wedding and receptions of up to 120 guests.

Equally memorable affairs are held in the chic, Mediterranean-style formal dining room, capable of accommodating up to 65 seated guests. Grand French doors open up to expose a view extending from the ocean on the east to the rolling hills to the west.

The Inn on Mt. Ada

In 1919, William Wrigley, Jr. bought a majority of Catalina Island, and when he built his first home on the island, he named the location after his wife, Ada Wrigley. The Inn on Mt. Ada consists of six guest suites with splendid views of Avalon Bay and the Pacific. One can relax in the den, sun porch, or living room, and dine in the formal dining room or on the picturesque terrace which wraps around the home. Enjoy complimentary breakfast, lunch, unlimited butler's pantry and an evening social hour. Events can be held on the sweeping outdoor patio or in the home itself.

Catherine's Terrace at Descanso Beach Club

Catherine's Terrace offers a gracious and appealing oceanfront location perfect for your special day. Spacious and inviting areas offer stunning views of the bay. Indoor seating in our ballroom can be arranged for an intimate group of 20 guests or a larger group of up to 200 guests.

Catherine's Terrace offers approximately 1,900 square feet of indoor space and can be split in half with an airwall (*Ballroom I and Ballroom II*). Situated on the 2nd floor, the ballroom features retractable doors that allow guests to enjoy panoramic views of the ocean on a 1,970 square foot balcony terrace.

Banning House Lodge:

Luxury overlooking Two Harbors

Located at the island's West End, in the village of Two Harbors, the Banning House Lodge is a picturesque bed and breakfast, offering sweeping views of the Isthmus of Catalina and Catalina Harbor from a romantic, hilltop perch.

With breathtaking ocean views and a cozy feel, the Banning House Lodge is perfect for intimate weddings. There are several areas to gather at the Banning House including a lush trellised courtyard, two story library, sun room or a stone patio that offers beautiful views of both harbors. The Lodge offers twelve sleeping rooms in the Main House, Cliff House, Carriage House and Crow's Nest, each of which are individually decorated.
